

sweetstream
if not you shine

If Not You Shine

If not you shine
If not you shine

Baby Blue
Baby Blue

If not you shine
If not you shine
If not you shine

pictures capturing your eyes
if you truly feel
if you truly feel
step into so many things
worldly trouble left behind
on a rainbow cloud
of happiness
of happiness

Baby Blue
Baby Blue
Baby Blue

If not you shine
If not you shine

If not you shine
pictures capturing your eyes
if you truly feel
if you truly feel
step into so many things
worldly trouble left behind
on a rainbow cloud

wake up shining
cream time smiling
still awaking

when I'm sitting waiting here
worldly trouble under me

when I'm sitting waiting here
lights do capture eyes
closing eyes but truly there
senses so pure
to eternally be

wake up shining
cream time smiling

still awaking
when I'm sitting waiting here

worldly trouble under me

when I'm sitting waiting here
light do capture eyes

closing eyes but truly there
senses so pure
wake up shining
cream time smiling

still awaking
when I'm sitting waiting here
when I'm sitting waiting here

One Thousand Times

Rainbow over London Sky
Pink and blue, white and green
Why not be here
If you ever smile

Street faces looking
We are smiling
Walls still standing there
Building bridges out of stone

Breaking mirror
Is just what's there
To walk through
When you get busy, get busy

In my spine, I feel liquid like wine
Simple life to share
How you wonder
Abstract spheres

What's your fear
Crowded tunnels
Pumping rushing
Speeding in slow motion

When you're walking along
When you're waiting here
Mind captured fascinated
Strongly recommended

Step out into nothing
To know nothing
Probability liability
To feel present to last

Street style freestyle
Knowing mutually
Seeing is what's being

Time speaks for being

Original future brotherhood
Breaking mirror just there
To walk to step
When you get busy, get busy

Until then be aware
What you are to see
Games of question
Falling into burning stars

Here to free purity
To love and fear, truth to be
In cosmo multi mix universal
Brotherhood to love

When you're walking along
When you're waiting here
Mind captured fascinated
Strongly recommended

In a land far away
Old stories long
Sweet sunshine
Where have you gone

Miles of centuries
No more galaxies
Here we go do you know
When you get busy, get busy

With the wind
Into galaxies
Long roads of life passing by
Eternal cycle lasts

Pictures of the world in my eyes
Hungry eyes
State of reality
Open skies of purple eyes

When you're walking along
When you're waiting here
Mind captured fascinated
Strongly recommended

Stay Alive (Jigsaw)

Stay alive
To try so hard
Captured by own insignificance
Any day on earth
Loving souls flying freely

Loving souls flying freely
Anything to say
Anything to say
Hello sweet sunshine
Everything to feel
Everything to fear
Creation blowing mind away
Novelty breathing
Everything
On the day of spiritual freedom
Which world will feel
Real fantasy
What to say no more
All just there
I think you're dreaming
Just up there

When you are waiting for me
Vibes touching crystal mirror
Head in the future
Reality moves
Clear eyes thought
Triple rainbow mood
Dashing with red stars
No more lies in my face
Truly spoken truth of word
I think you are dreaming
Just up there

Reality opening up
Into bright light shining
Ideal living
Just be close to the edge
Fast lane here
Fast lane here
Hello where are you gone
Flying on velvet galaxies
On a Sunday morning
Real fantasy

Which world will feel
Day of spiritual freedom
What to say no more
To try so hard to stay alive

Any day on earth
Loving souls
Flying freely
Loving souls
Flying freely

Anything to say
Anything to say
On the day of spiritual freedom

What to say no more
I think you are dreaming

Pabulum If Not You Shine One Thousand Times Stay Alive (Jigsaw)

Lyrics written and performed by Sweetstream

Music composed and performed by Sweetstream, R. Fahy and Divine Touch

Recorded and Mastered at Ample Trace Studios, London, UK

Produced by R. Fahy and Divine Touch

Jewellery design and photography by Mehbs Yaqub

Cover art and design by YzArt

A very special thanks to John "le Conman", without whom this project would not have been possible!
